

New England's Premier Healthcare Integrator

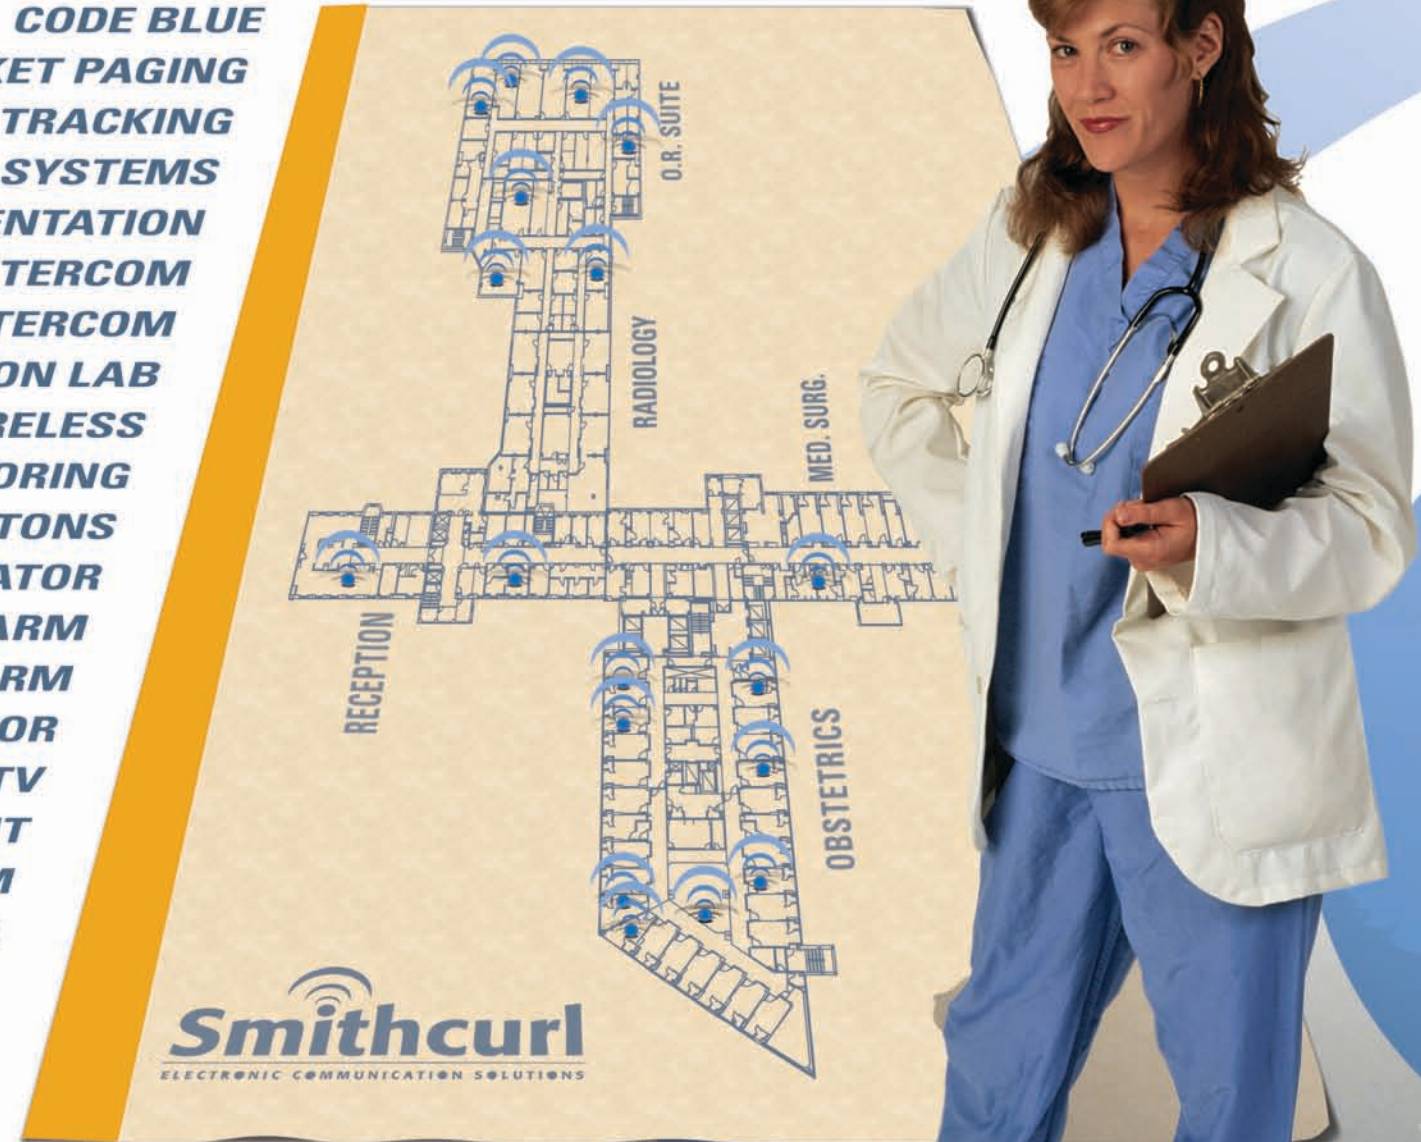

Every patient is unique, and so is each facility. We approach each situation with a long-established history and unmatched expertise required to design, install, and service your systems. Whether you need Patient-to-Staff or Staff-to-Staff Communication, Patient Entertainment, Emergency Notification, or Information Presentation, Smithcurl has the solution.

We refrain from offering only a specific brand of equipment, instead offering complete solutions and products that best fit your needs. We select best-in-class manufacturers so you can keep pace with evolving technologies.

On-call 24 hours a day, Smithcurl is always there when you need us. Our goal is to earn a long-term position as one of your most reliable service providers. We are committed to providing reasonable prices and outstanding service to help keep your patients and staff safe and happy.
